Report of Forest Fire Warden and District Chief

We are proud to report that during 1968 Eaton had a perfect record in that there were no forest fires here. We all wish this to continue in 1969.

People — and rarely, lightning — cause fires. The state records show that the number of fires increase in an area as the population increases. We in Eaton must all be aware of fire causes and work to prevent their occurrence.

The following action will help:

1. Teach our children the danger of lighted matches.
2. Never discard lighted smoking material from a car or while walking through fields or woods.
3. Safely dispose of rubbish, preferably at the town dump. If you must burn —
 - a. You need a written permit from the town fire warden for *all* burning of debris and dead grass except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in your own yard is permitted on notification to the warden.
 - b. The warden is forbidden by regulation to allow burning of household rubbish on grass and leaves by householders between 9 a.m. and 5 p.m.
 - c. Have equipment on hand to control the fire *before* you light it.
4. Promptly report any fire out of control to your fire warden, his deputies, any selectmen, or the fire department chief.

Help to keep our town out of the fire occurrence column and save your tax dollars for useful purposes.

WATER SAFETY PROGRAM – 1968

In 1968, we again asked for \$1,000 for assistance with the Water Safety Program for the Town of Conway. 389 children were enrolled in classes. Center Conway children attend class at Conway Lake. Conway village children may attend either the first session with children from Madison, which is taught at Silver Lake, or the second session with pupils from Eaton, at Crystal Lake. North Conway, Kearsarge, Intervale and Redstone send their children to class at Echo Lake.

The expenses for 1968 are listed. Mileage and salaries are combined:

Crystal Lake	\$414.19	
Conway share at Silver Lake	151.17	
Echo Lake	478.24	
Conway Lake	114.84	
	-----	\$1,158.44

The Conway Chapter, American Red Cross, the co-sponsor for this program, pays all of the other expenses connected with the program. This includes training of the instructors. Three instructors were sent to Aquatic School in 1968 by the Conway Chapter on scholarships in memory of the late Mr. Edward Janes and Mr. Dana Farrington.

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1968, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$16,646.24, plus a revenue surplus of \$30,535.53, resulted in a net budget surplus of \$47,181.77.

District Court: (Exhibit E)

A statement of the accounts of the District Court for the fiscal year is presented in Exhibit E.

Library: (Exhibit F)

A statement of the activities in the Library Account is presented in Exhibit F.

Highway Bond Fund: (Exhibit G)

The activity in this account consisted of interest income only.

Statement of Bonded Indebtedness: (Exhibit I)

A statement of outstanding bonded indebtedness as of December 31, 1968, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipts and disbursement of all public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book Balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$1,502.28, from \$120,449.39 to \$118,947.11 in 1968, as shown herewith:

	December 31, 1967	December 31, 1968
Total Assets	\$1,127,636.31	\$560,199.57
Current Liabilities	1,007,186.92	441,252.46
	<hr/>	<hr/>
Current Surplus	\$ 120,449.39	\$118,947.11

Tax Collector:

All receipts from taxes should be dated as of the actual day the money is received, entered in the cash book and posted to the warrant using the same date.

Added taxes should be recorded in the back section of each warrant for the year of levy of which the added tax applies.

All tax sales should be entered in the record of tax sales. In addition to the owners' name and description of the property, the following should also be recorded.

Unpaid tax
Interest
Cost
Fees

These four columns should be added and shown in the price sold column. All columns should then be totaled and cross added to a grand total which should agree with the taxes bought by Town.

North Conway Water Precinct

It is noted that unredeemed taxes date back to 1960. It is recommended that after two years from date of tax sale a Tax Collector's deed should be given to the Town for all unredeemed taxes.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Conway for their assistance during the course of the audit.

Yours very truly,
